President's Report

Dear Brethren of the Church:

As the 84th Annual Convention approaches, we commend to you the year 1951-52 as one of prayerful activity for our Church, on the part of Synodical officers, pastors and people. Our hope is that the structure of faith, built on foundations laid by others through the years, may be of such material that it shall stand firmly for others to build thereupon. We trust that all have labored so that Christ, the chief cornerstone, is honored and glorified.

We offer personal gratitude to all who have faithfully performed their tasks, the appointed and elected committees, the secretaries, the representatives to institutions and agencies, and, particularly, to our auxiliary organizations, the Synodical Women's Missionary Society, the Men's Brotherhood, and the Luther League. Without excellent co-operation on the part of everyone, we could not look on our work with any degree of satisfaction. May God have blessed our combined efforts to ascertain His will and carry it into Christian fruitage.

We, as a Synod, have reasons for thanksgiving. The evidences will appear in the various reports. Especially gratifying are applications for reception at this session, of two newly-organized mission congregations, Kent Memorial, of Sunrise Beach, Missouri, and Reformation, of Wichita. Our stewardship has been excellent, with 96.6 per cent of apportioned benevolence paid. CHEY funds reached 93.4 per cent of the two-year goal, and Lutheran World Action 84.5 per cent of the amount asked.

We offer prayerful thanksgiving in that comparatively few losses were sustained by congregations in the disastrous floods which struck Kansas during the summer of 1952. We sorrow in the passing of our beloved Dr. C. F. Wiest, who lost his life during the Hays flood, May 22, 1951. Scherer Memorial church and parsonage at Chapman were damaged in the July flood, but not beyond repair. The basement at Abilene,

Trinity was damaged, cost of repairs being borne by the congregation. Many families from Hays to Kansas City suffered everything from minor to hundred per cent loss of property. A willing response in funds and clothing from sister congregations assisted in rehabilitation of buildings and personal properties, and no special assistance was asked from the Disaster Relief Committee of the Board of Social Missions of the U.L.C.A.

We note with sorrow the passing of Dr. E. E. Stauffer, of Wichita, on September 29, 1951. His fifty years of service in the ministry, all of which was spent in this Synod, is a record of rare devotion.

In accord with the Constitution of Synod, your President reports the following official acts and other information:

Report of the Examining Committee

Members of the Examining Committee considered by mail (June and July, 1951) the status of Pastor Aksel Larsen who was called to the ministry of First Lutheran Church, Tulsa, Oklahoma. He was properly dismissed by the Illinois Synod, where he labored at Champaign. We examined pertinent papers regarding the status of Pastor Larsen and then forwarded them to the President. Similarly the Committee reviewed by mail the papers relating to Pastor Richard O. Scherch, presently laboring in the Reformation field of Wichita, Kansas. These documents were likewise filed with the President. The committee recommends that Pastors Aksel Larsen and Richard O. Scherch be enrolled as members of this Synod. (Adopted).

William W. Klover, Chairman.

Report of the Necrologist

Your necrologist reports with deep sorrow the loss during the past year of two of the long-time faithful members of our Synod, Dr. C. F. Wiest and Dr. E. E. Stauffer. Yet our sorrow is tempered with joy that these two heralds of the Cross have passed in triumph into the presence of the King.

Synod desires to express to the families and friends of the departed our heartfelt sympathy, and we pray that the comfort of Christ may be as healing balm to their saddened hearts.

REV. CHARLES F. WIEST, D.D.

The Rev. Charles Fisher Wiest, D.D., pastor emeritus of Trinity Lutheran Church, Hays, Kansas, died May 22, 1951, when the basement walls of his home collapsed during a flood while he was helping to bring valuables from the flooded basement. He was 78 years of age.

Born in York, Pennsylvania, February 12, 1873, he graduated from Gettysburg College in 1895, and from Gettysburg Seminary in 1898. He was ordained the same year and served his first parish in Milroy-Zigler-

ville, Pa. In 1902 he was called to Trinity Lutheran Church in Hays, and served that congregation for eighteen years, when he resigned to become a member of the faculty of Fort Hays State College. There he built Biblical and Philosophy departments which he headed until he retired because of age a few years ago. He was elected pastor emeritus of Trinity Church in 1922, and became professor emeritus of the college in 1943. He served on many boards and committees of Synod, and was President of Synod in 1915. In 1920 he received the honorary degree of Doctor of Divinity from Midland College. After his resignation from the congregation he continued to serve as supply pastor in many churches of the Kansas Synod and of other denominations.

He was married June 26, 1906 to Eda L. Voss, of Hays. Surviving him are his widow; their two children, Carl Fisher Wiest, Toole, Utah, and Mrs. Herman Schwartzkopf, Long Beach, California; and two grandchildren, Stephen Burt and Philip Charles Schwartzkopf.

His body was laid to rest in Hays, May 25, 1951. Funeral services were conducted by Rev. George L. Search and Rev. Ernest F. Tonsing, President of Synod.

REV. E. E. STAUFFER

The Reverend Ezra Eugene Stauffer, D.D., L.L.D., entered into the Church Triumphant September 29, 1951, following an illness of several months. He had been an active member of this Synod since he was licensed at Peabody in 1897. He was ordained at Hutchinson in 1898.

Dr. Stauffer was born at Napersville, Illinois August 15, 1872, son of John Kinsey Stauffer and Martha Engle Stauffer. The family moved to Abilene, Kansas in 1879, and soon after to a farm near Hope, Kansas.

He was a graduate of Midland College in 1896, and of the Western Theological Seminary in 1898, both institutions located then at Atchison, Kansas. His first pastorate was at Wellington, Kansas. While there he was married to Miss Elizabeth Becker, of Atchison.

His second pastorate was at Trinity Church, Lawrence, where he served more than sixteen years. In 1915 he was elected to represent Douglas County in the Kansas State Legislature.

In 1918 Dr. Stauffer was called to the presidency of Midland College and the Western Seminary. Soon after assuming his duties there he headed a committee that arranged the transfer of the institution to Fremont, Nebraska.

After three years of devoted service he accepted a call to St. Paul's Church, Wichita. In his twenty-five years of leadership the communing membership of the congregation increased ten fold, a wonderful testimonial to his efficiency and devotion. Yet he found time and strength to serve the community on the Board of Regents of the University of Wichita, the community chest, Public Health Nursing Association, Home for the Aged, Chamber of Commerce, and various other local projects. He also served as President of the Kansas Synod and of the Kansas Council of Churches. He frequently represented our Synod at National Conventions.

He retired from the pastorate in 1947, and was named Pastor Emeritus of St. Paul's Church. His busy activity did not come to a complete stop, for he still served as supply pastor of vacant parishes.

From Midland College he received the degree of Doctor of Divinity in 1912, and of Doctor of Laws in 1946. The memory of this faithful servant will not soon fade in the Synod, the congregation, nor from the hearts of a large circle of friends.

Funeral services were held in St. Paul's Church, Wichita, with Dr. T. Benton Peery, pastor, the Rev. Ernest F. Tonsing, President of Synod, and Dr. F. B. Thorn, pastor of the First Baptist Church, Wichita, officiating.

Dr. Stauffer is survived by his widow, a daughter, Mrs. Madge Lockstrom of Lindsborg, a son, Norris Stauffer of Wichita, four grandchildren and two great grandchildren. His body was laid to rest in Wichita Park Cemetery.

J. A. McCulloch.

Camp Wa Shun Ga

During the 1951 season 13 groups used facilities at Camp Wa Shun Ga for a total of 5,864 camper-days over 74 days; an average of 79 per day. The total was down from previous years because of the floods. Three groups canceled their camps because of the floods in Eastern Kansas.

Improvements were not as many as the committee planned. The speaker system was replaced and a record player was added to be used by groups desiring folk dancing. One new lawnmower was purchased, replacing an older one; and after the camp was flooded one other mower had to have a new motor. The committee planned to put a cement slab on the volley ball court, making it large enough to play both volley ball and badminton and large enough to be used in the evenings for recreation. However, weather kept the committee from accomplishing this.

Cabins were planned, but time and weather prevented their construction.

The camp staff was headed by George Krionderis who has managed the camp for seven years. He will not return in 1952. Mrs. Noton Martinitz was cook. We also employed Mrs. Krionderis for dining room and store supervision, Miss Lillian Oesterhaus as kitchen assistant and four boys of high school age for dishwashers and groundsman.

The Evangelical Lutheran Synod of Kansas and Adjacent States
Gentlemen:

Pursuant to instructions, we conducted an examination of the cash accounts of John W. Carr, Treasurer, for the period January 5, 1951 to January 5, 1952, and herewith present our report subject to the verifications herein contained.

Bank balances were reconciled as January 5, 1952, with statements received direct from the depository. A subsequent reconciliation was had at January 31, 1952. The deposit in transit is composed of checks on hand at January 5, 1952, the deposit being made January 12, 1952.

Receipts were accepted as stated, no attempt was made at verification from the various sources. Remittance letters from these sources, presented for our inspection were added, the total agreeing with reported collections. Bank deposits were reconciled to total of receipts reported. Test checks were made in considerable percentage to accounts credited, both as to dates noted and amounts.

Disbursements were verified from checks written and from such vouchers as were available. All disbursements for General Operations of Camp Wa-Shun-Ga were made on vouchers filed by George L. Search, except, audit expense, cost of position bond, and three items of administrative expense.

Contingent liabilities and resources were not audited or verified, not being included in the scope of the audit.

Apportioned Benevolence were checked and found to agree with the following percentage:

Report of the Luther League

We ran into tough luck last summer when our annual convention at Camp Wa-Shun-Ga was cancelled due to the famous floods of this area. After a lapse of four months the convention was rescheduled and held at Salina on November 10 and 11. Over a hundred leaguers were present. Our executive committee was completely rejuvenated by the elections and appointments which were made at that time.

There are 21 congregations in Synod who have active youth groups. Four of these are maintaining two organizations for the age groups, intermediate and senior.

Eighteen Synod leaguers represented our leagues at the national convention held in Iowa last summer. Four Synod pastors were also in attendance. This was one of the largest delegations that has attended the national conventions. We hope even greater interest will be shown in the next one in 1953.

We are cooperating with the Luther League of America to present in our local leagues those programs which they are promoting. During January we promoted the missionary emphasis. Our portion of the national \$25,000 Argentine project is \$350. A publications campaign was conducted in March at which time our national magazines, LUTHER LIFE and HIGH IDEALS, were available to us at a reduced cost. We have been represented in LUTHER LIFE by the contributions of a reporter appointed in this area. Our Synod publication, the JACK RABBIT, is being regularly edited and has a circulation of 425.

It is our hope to be of more service to our Synod church. For example, we feel that we might help promote attendance at the camp sessions at Wa-Shun-Ga not only among our members but to all the youth.

We were pleased with the revision of the sponsor plan for our organization. We are working well with Rev. W. F. Most and he with us. His experience with leagues and service on the national level are a great help to us.

Of course, we are anxious to increase our number of leaguers and leagues. We would encourage pastors and league sponsors to give firm support to the league needs and the possibility of establishing a youth group in their congregation.

Respectfully submitted,
Gynith Giffin, President.

Report of the Synodical Women's Missionary Society

The Women's Missionary Society of the Synod of Kansas and Adjacent States considers it a pleasure to meet in conjunction with Synod, and to share in the inspiration of these hours together.

"With One Accord," we come to our Seventy-second Annual Convention, to report our growth in worship, membership, and stewardship.

It is difficult to measure growth in Worship. We hope our members have deepened and strengthened their prayer life.

In Membership we have made great strides, with an increase from 1,157 in 1951, to 1,405 in 1952. Six new societies are to be received. There are: Kent Memorial, Sunrise Beach, Mo., Women in the Church; St. Paul's, Mentor, Women's Missionary Society; First, Rockport, Mo., Women's Missionary Society; Trinity, Sedalia, Mo., Women of the Church; Reformation, Wichita, Women of the Church, and First, Marysville, Women of the Church.

In Stewardship, we have kept pace with growth, as our annual reports show. Total receipts from all sources in 1950 were \$13,286, while total receipts from all sources in 1951 were \$14,691. Our Thank Offerings increased from \$5,492 in 1950, to \$6,079 in 1951.

Detailed reports appear in the Society's Pre-Convention Bulletin, and will be published in the annual Minutes.

We take this opportunity to thank pastors and congregations for their co-operation this past year.

As an auxiliary, we accept "With One Accord" our responsibilities. "The harvest truly is plenteous, but the laborers are few." This challenge places before each one of us a special task. We cannot rest as long as even one person remains outside the Church.

Mrs. Ernest Tonsing.

Report of the Statistician

The good membership increases of 1950 failed to carry over into 1951 and only a small increase in communing membership was registered for the past year. The increase amounted to 100 but of this number, 59 were furnished by the new congregation, Kent Memorial of Sunrise Beach. This left an increase of 41 for the balance of the Synod, an average of about one for each congregation. However, the increase was not spread that evenly; 23 congregations showed gains and 17 had losses. The range was from an increase of 22.5% for Beloit, Zion, to a decrease of 25.2% for Peabody. St. Paul's, Wichita, St. Paul's, continues to be the largest congregation with 635 members. Decreases were shown in both the baptized and confirmed membership totals, due principally to long delayed revisions by five congregations. The proportion of confirmed members communing rose to 63.4%. Small increases were shown in the Sunday School statistics; decreases in the balance of the Parish Education rubrics.

The congregations expended \$443,008 in 1951, \$37,598 less than in 1950. The average per confirmed member decreased again amounting to \$37.84 this last year. There were increases in the amount expended for current congregational expenses and the offerings for the apportionment but much smaller amounts were contributed for unusual expenses and CHEY. The ratio of congregational expenses to total benevolences continued at 75-25 with Wichita, St. Paul's, the only congregation approaching the 50-50 budget with a 54-46 division. Indebtedness decreased \$9,017, almost 5%, although three more congregations were added to the list.

The Synod again contributed more to the apportionment than at any time in its history and again just barely missed the mark of meeting it in full. The difference amounted to only 25 cents per communicating member. Twenty-five congregations met the apportionment in full or excess. The total contributed to all benevolences was \$109,932. 96.9% of the apportioned benevolence was paid, 84.5% of the LWA quota, and 93.4% of the two-year CHEY Appeal.

Reports were received from all active congregations but they were extremely slow in coming in. Even the Synod's deadline of Feb. 15 for the statistician arrived with two reports missing. However, many thanks and much appreciation for the work of the pastors and the secretaries in preparing the parochial reports.

Report of the Historian

The Historian has received and filed copies of the Kansas Synod Lutheran and the Minutes of the 1951 meeting of Synod. In addition a large trunkful of materials formerly passed on by successive holders of the office of Secretary of Synod has been turned over to the Historian. The historical materials have grown to such bulk as to present a real problem of organization and storage.

In order to clarify the matter it is suggested that the Historian be authorized to supply back numbers of the Minutes of Synod at the request of the college and seminary libraries if in his judgment a sufficient number of copies are on hand.

Recommendation

That Synod authorize the binding of a complete set of the Minutes of Synod. (Adopted).

George L. Anderson.

Report of Home Missions Committee

The Home Missions Committee presents with a deep feeling of gratitude to Almighty God the following report covering the work and activities of the Committee. These are history making days. Two new missions will be received into the membership of Synod during this Convention.

KENT MEMORIAL, Sunrise Beach, Missouri, the Rev. Clarence J. Hansen, Pastor.

At the time of our last Synod convention, Pastor John Shirck was working two days each week in this field. On April 22, 1951 the Cornerstone for the Church was laid. The names of 62 persons who had agreed to unite with the church and the names of all persons who had answered the first call of the MISSIONS \$10 CLUB were placed in the Cornerstone.

Pastor Shirck continued to work in the field until October. By special arrangement between the Home Missions Committee and the people of the yet unorganized congregation, the Rev. Clarence J. Hansen was called to the field November 1. On December 16, the congregation of Kent Memorial Evangelical Lutheran Church was formally organized with a confirmed membership of 60, and a total baptized membership of 78. Additional members are being added regularly from among the many permanent residents of the Hurricane Deck area of the Lake of the Ozarks, where Kent Memorial is located. A full program of congregational activity has been organized. The ladies are organized into a full-fledged Women of the Church group, affiliated with the Synodical Missionary Society. The congregation uses the duplex envelope system, and is beginning to contribute towards the retirement of its building debt, incurred by the loans for the completion of its beautiful Church Edifice. These loans, coupled with earlier MISSION \$10 CLUB gifts and gifts and labors of the Hurricane Deck residents, will make possible the completion of the church by convention time, with Dedication Day planned for April 27.

At this writing \$13,650 has been expended: \$8,650 for materials and \$5,000 for labor. The people of the area raised over \$2,000 in cash and donated a like amount of labor. MISSION \$10 CLUB funds amounted to \$3,500 and Synod borrowed from individuals \$8,000. There must be an additional \$2,000 borrowed to complete the church. The building is a gem and you will want to see it at your earliest convenience.

The faith of the Synod in the mission possibilities of this Lake of the Ozarks region has been justified, and we rejoice that the new congregation is able now to definitely look forward to the time when it will be self-supporting. We commend both Pastor and People in this fine beginning. Kent Memorial has made application and will be received into Synod at this Convention.

REFORMATION, Wichita, Kansas, the Rev. Richard O. Scherch, Pastor.

Pastor Scherch came to this field July 1, 1951. On September 9 the first service was held in the East-side Branch YMCA, on the corner of First and Oliver streets. Forty-three persons were present, twenty of whom signed the Charter Membership list that day. Enthusiasm ran high and the mission grew until on January 27, 1952, The Evangelical Lutheran Church of the Reformation came into being with 56 adult and 19 child members. Forty-five persons were received by Letter of Transfer and Renewal of Faith, five through Confirmation and six through Adult Baptism.

The Women of the Church auxiliary was organized with 20 mem-

bers. They have been hard at work and the results are two complete sets of altar paraments, one fair linen, and four purificators. A Brotherhood has been organized with 20 members, and the objective is visitation and evangelism. The Church School, because of the temporary nature of the meeting place and because it is not centered in the mission area, is not as large as it might be. The enrollment is 38. The average attendance at worship services has been 40. The financial status of the Mission as of December 31, was all on the credit side. Except for the payment of the Pastor's salary, the Mission has supported itself from the Sunday offerings alone, no pledges having been made before 1952. A token benevolence, a tithe, was sent to Synod as a sign of the appreciation of the people in being able to extend the Kingdom in Wichita. A budget of \$9,144, including \$5,000 building fund has been proposed for 1952. The average monies pledged has been at the rate of \$182 per contributing unit. At this writing the Congregation is in the process of purchasing an excellent plot of land on Kellog between Delrose and Pershing streets, and has the approval of the Board of American Missions and the Home Missions Committee. They are also considering the building or purchasing of a parsonage.

Pastor Scherch has been doing an excellent piece of work in Wichita and has accepted a Call as first pastor of Reformation. May God bless him and his people.

FAITH, Prairie Village, Kansas, the Rev. William F. Most, Pastor.

On January 14, 1951, the Rev. William F. Most was installed as pastor of Faith Evangelical Lutheran Church by the Rev. Arthur M. Knudsen, D.D. President Tonsing officially received the Congregation into Synod on June 3, 1951. The Congregation has assumed title of ownership of the three and one-half acre plot on 67th and Roe streets and the parsonage at 4637 West 69th Terrace. During 1951 there were a total of 47 adult accessions. At this writing the total adult membership is 155, with a total baptized membership of 244. A total of \$1,287 was paid in benevolences in 1951. In the same period \$6,000 was raised for the building fund. Plans are under way to raise \$14,400 for the building fund this year. The Congregation voted to use the Holy Trinity design from the Board of American Missions in the construction of their church. This first unit will include a chapel with seating capacity of 185 and a full basement. It will be in modern Gothic design. It is hoped that construction will get under way in the near future. Worship services are now being held in the Masonic hall and Davidson studio. Both are basements and pitifully inadequate for our expanding congregation in Prairie Village. The cost is \$100 per month and they can be used only on Sunday.

These are trying days for Faith Church but faith carries on and a goodly growth is in evidence. We hope and pray with them looking for the day when they will have a church home.

GOOD SHEPHERD, Washington, Kansas, the Rev. Harvey H. Bernhardt, Pastor.

Good Shepherd just completed a fine parsonage. It is a three-bedroom home 28x40 in modern ranch-style. Most all of the labor was

donated by the men of the congregation. During the year a new Hammond organ was purchased. At the Annual Meeting the congregation voted to assume their full apportionment this year. On January 13 the membership was gladdened by the reception of 35 adult and 41 child members. This brings the Confirmed membership to 190 and the Baptized membership to 284. A large number of prospects are catching the spirit of progress and will soon be added to the membership.

These accomplishments speak well for the fervor of pastor Bernhardt and the people of Good Shepherd.

BETHLEHEM, Kansas City, Missouri, the Rev. Edwin J. Hirsch, Pastor.

Bethlehem, the first of our five new missions in as many years, is being plagued by shifting population trends. The membership gains more than off-set the losses. During the year 36 adults and 41 children were received into membership. The Confirmed membership is now 148 and the Baptized 237. The Church School enrollment is 98. The organizations are quite active and there is a vigorous Scouting program. The Vacation Bible School was a capacity enrollment.

The paying of the Construction Loan together with other debt reduction payments amounted to \$4,818. The additional parking lot is being completed and a bridge built across the creek. Title to the Parsonage is being transferred from Synod to the Congregation.

ST. LUKE'S, Fort Smith, Arkansas, the Rev. Leo S. LaFontaine, Pastor.

St. Luke's new church was selected by the Chamber of Commerce as the representative church of Fort Smith. The Communing membership has risen from 81 to 90. Another class is being prepared for membership and will add to the 17 adults and 5 children received during the year. The balance on the Construction loan has been paid and other debt reductions amounted to \$2,327. Benevolence and LWA were over-paid in 1951 and over-subscribed for 1952. The Congregation resettled a Latvian family and assisted an Estonian family. The Missionary Society has nearly doubled in membership. Everything points to a good year in growth and stewardship. An altar book and a set of white paraments were dedicated to the memory of deceased members. We hope that before too many years pass we will have a sister congregation in the state of Arkansas.

TRINITY, Sedalia, Missouri, the Rev. C. Arthur Freeberg, Pastor.

In spite of adverse conditions this congregation took a reduction in salary aid from Synod during the past year and will take a like amount this year. Over \$600 was paid on the debt; a new Baptismal Font was purchased; new green Paraments and signs were erected on the highway giving directions to the church. Pastor Freeberg is active in church and civic affairs in Sedalia.

ST. PAUL'S, Greenleaf, Kansas, the Rev. Franklin Shirk, Pastor.

"St. Paul's Congregation has not been able to meet her benevolence apportionment, due to the fact that the figures assigned are based on an obsolete membership count. Aside from the financial difficulties imposed by the almost ruinous losses to the mission in Washington, the church continues to function quite well."

This report would not be complete without paying tribute to two congregations which go on self support this year. They are St. Paul's, Valley Falls, Kansas, the Rev. Sherman Frederick, Pastor, and United, Cole camp, Missouri, at present vacant.

Committee on Foreign Missions

We give gratitude to God for a true missionary spirit among the churches in the Synod of Kansas and Adjacent States. The Great Commission is not carried out by interest in Home Missions alone. The gospel must be taken to all the known habitations of the earth. Each Christian has the opportunity to share in this task by the work under the direction of the Board of Foreign Missions of the United Lutheran Church.

Good reports can be given from all our Foreign fields but China. This field has been entirely closed, the property held by the Chinese Communists. Miss Clara Sullivan reached Hong Kong Dec. 27, left by plane Feb. 8 for home, traveling via India and Europe. No further word about the release of the Rev. Paul Mackenson has been received. The visit of Commissioner Earl S. Erb, D.D., member of the Board of Foreign Missions to the India field, has resulted in better understanding between the native church and the missionaries, greatly assisting the solving of administrative problems. Many indications of progress can be seen in the difficult field of Liberia. In Japan the work is marked by vigor and growth. One-tenth of all the missionaries in Japan are now Lutherans, numbering 191 and representing eight Lutheran bodies. The church in Japan is making preparation for the celebration of the 60th Anniversary,

donated by the men of the congregation. During the year a new Hammond organ was purchased. At the Annual Meeting the congregation voted to assume their full apportionment this year. One-tenth of all the missionaries in Japan are now Lutherans, numbering 191 and representing eight Lutheran bodies. The church in Japan is making preparation for the celebration of the 60th Anniversary,

with a visit of Pres. Franklin C. Fry in April, 1952. The great handicap in South America, in both Argentina and British Guiana, is lack of missionary personnel.

Miss Lilit Schwab of St. Joseph, Mo., and supported by the women's societies of our Synod, is now at home on furlough from India. Late in the year 1951 she made a complete itinerary of the churches of Synod, bringing her audiences much information and inspiration. Dr. and Mrs. L. S. G. Miller of Japan had an extended itinerary in the Synod, speaking in numerous churches of their work, being present for all three conferences at their fall meetings. The presence of these servants of the Lord helps fire our missionary interest.

A response to the Epiphany Appeal in 1951 for the Phoebe Hospital in Liberia was general if not large. If all Sunday Schools would receive an offering the purpose and goal of the annual objective would be reached. The 1952 Epiphany Appeal for the Pre-Seminary School in Buenos Aires has been taken. Receipts for this cause can be sent to our Synodical treasurer anytime during the year and it is hoped every Sunday School was given the opportunity to cooperate.

T. Benton Peery.

Report from Committee on Social Missions

An Institute on Evangelism, in co-operation with the Board of Social Mission of the United Lutheran Church in America was conducted for Pastors and at least one layman from each congregation at Trinity Lutheran Church, Abilene, Kansas, October 11, 12, 1951. Upon recommendation from the Board Churches of the Midwest Synod in Kansas were invited to attend the Conference. An outgrowth of this Institute were four Pastoral Workshops conducted on the territory of Synod.

The chairman of the committee and the President of Synod have been representing the Synod at several meetings called for all National Lutheran Council Churches in Kansas to study the possibility of promoting a Kansas Lutheran Welfare.

Theodore Moehring, Chairman.

Report of the Trustees of

Central Lutheran Theological Seminary

Central Seminary has continued its growth and service the past personnel and teaching assignments are the same as reported last year. It is expected that a full time librarian will be added to the staff prior to the occupancy of the new library.

Work on the new combination building was begun in early May. It is expected that the building will be completed this spring and will be dedicated at the time of the opening of the fall semester. The building will provide administrative offices, offices for each professor, four class rooms, a well equipped library, and a well equipped chapel. The trustees are rightfully proud of the new building, its design and its sturdy construction.

The support of the seminary needs thorough study by all Synods. The opening of the Pacific Seminary removes the Pacific Synod and the California Synod from Central's constituency. The remaining six Synods, therefore have an added responsibility placed upon them.

Financial Report

The complete report of the auditors, Witthoff and MacIntosh, will be available for inspection at Synod. These summaries from the report are of general interest:

"We have made an examination of the records and accounts of your Treasurer, Mr. H. W. Hendriksen, for the period from July 1, 1950, ending June 30, 1951. In our opinion the accompanying report presents fairly the position of Central Lutheran Theological Seminary, Fremont, Nebraska at June 30, 1951a and the results of its operations for the period then ended."

"Change-orders," the inevitable modifications of plans made during construction, can also be expected to add to the cost approximately \$10,000, bringing the total cost of the building to approximately \$228,000. This amount includes all "fixed" furniture in the chapel; ie pews, altar, lectern, and rails; in the library; ie. book stacks, work benches, check-out counter; in offices; book shelving and built-in storage cabinets; but it does not include movable furniture such as desks, chairs, etc. A mimeographed supplement to the building fund report will be available at Synod so that members may know the financial picture to date.

Synodical Plan—The Lutheran

The Lutheran Synodical Plan resulted in a total of 846 subscriptions for 1952 against 443 in 1951. This increase was 95.6%. 54.5% of the churches of Synod participated. Pastors should realize that the space allotted for Kansas Synod news is now based upon the number of subscriptions. Therefore it is important that all churches cooperate in this plan to the best of their ability. Quite a number of congregations took up the plan in 1952 which had done nothing, an encouraging factor. Also one of the five largest churches in the Synod failed to cooperate. Pastors should remember we are doing our people a kindness and our church great good, when we seek to place in their hands our fine church weekly.

Recommendations

1. That the months of October, November, December to be the time for promotion of the Lutheran Synodical Plan.
2. That the committee consist of one general chairman for the Synod, and one co-chairman from each conference.
3. That each congregation make a serious effort to place The Lutheran in as many homes as possible.

Report of Tabitha Home Trustees

For the Year 1951

With thanks to Almighty God for His many blessings showered upon Tabitha Home in the past year we are truly grateful. We are mind-

ful too, of the faithful labors of men who have preceded us in this office at Tabitha. On every hand we see that this work of Mercy has been truly the Lord's work, and marked by his providential care. In this spirit of Thanksgiving, this report is offered.

Our work as Superintendent was started on September first and with the thoughtful and wise counsel of Dr. Martin Koolen, former executive, we have been able to bring this to a close in such a way that Tabitha is a credit to the Church supporting her.

Words are not sufficient to express our thanks to those who have given to this work through prayer and financial support. The supporting synods have been very generous. Individuals, congregations, organizations of synods, and community groups have strengthened us through prayers and gifts. We are very grateful to those who have thus served God's work of Mercy at Tabitha.

We have made every effort to be on the field as much as possible, not with the purpose of solicitation, but seeking opportunity to express our thanks and to report on Tabitha Home and its stewardship of gifts of the Church. We have found congregations eager to hear about this work and we will continue to carry the message to other congregations.

The Aged Department

During the year 1951, 94 aged guests were served at the Home. Of this number, 60 were women and 34 men. At the beginning of the year there were 79 guests. During the year we received 10 women and 5 men. There were four dismissals and five were taken from us in death, leaving a total of 85 under care at the close of 1951 (32 men and 53 women). Of the total number of guests 75 were Lutheran (50 women and 25 men).

It is interesting to note that we have guests from 10 states and also three displaced persons.

Of the total number of guests served, 25 received Old Age Assistance, Social Security, or both, and 71 were here on contract, were financially able to pay their own care, were working for part of their care, or were on charity.

Our Aged Department has had entertainment provided by organizations in Lincoln, and Church organizations outside of Lincoln, who provide programs, motion pictures, treats and the like. Soon television will give them added enjoyment. The University is sending a piano teacher to our Home each week to teach our aged to play the piano.

We call your attention to the growing need for work among the aged. Of the 300 applications received, we have been able to serve only a small number. It is our prayer that we may find some solution for this problem of serving the aged.

The Children's Department

The number of children in all institutions for normal children has been smaller the last two years, and this is also true at Tabitha Home. At the beginning of 1951, we had in our Children's Department 23 boys and girls, and were carrying 3 who had been out in private homes for four years or over, but not adopted. Two of these three have now reached

the age of eighteen, one of whom is now working in a private family and the other will graduate from high school in May. The third is thirteen years of age and very happy with a family who would have adopted him if his father would release his custody. This group of 26 children under care represents 11 families and was composed of 17 boys and 8 girls.

Eight children were dismissed during the year. Four of them from one family had been wards of the State for over a year, and were placed by the State worker into adoptive and boarding homes during the year. Another family group of two were returned to their own home. The other children were returned to the home of parents or relatives. Six children were received: two of no church affiliation, three were of Lutheran background, and one was of the American Lutheran Church. Four came from Lincoln, one is a New American and the other came from Wisconsin. (His father is now working for the State of Nebraska).

In noting Church background of the children served, we find: 18 from Nebraska Synod (some baptized or confirmed while here) 2 from Midwest Synod; 1 American Lutheran; 1 Mo. Lutheran; 2 Augustana Lutheran; and 5 Non-Lutheran; and 3 were of Lutheran background, but synod unknown.

All of the children have received regular case work services during the year, and special work with Psychologists and outside resources as the occasion may demand. All have received regular dental care, and medical attention as needed. Several of our children have had surgery.

Five of our boys are Boy Scouts and five are Cub Scouts, while our girls are active in Campfire and Blue Bird work. Some of the older boys and girls are members of the Church Choirs. This year our children have an added privilege of taking private piano lessons from one of our talented guests here at the Home.

Case work services have been rendered to over ninety inquiries for various types of service to children and families, by telephone, by mail and by personal contact. These requests have come from our church people and from those outside the church, and from various states as well as from our own city. Many of these requests were for information on adoption, for care of children in their teens, for those seeking boarding school care, for care for infants and very young children, for care of small children by the day. To these and many other types, we have given service and if we could not meet their needs at Tabitha, we have directed them to another agency or other resources of possible help. We have left the door open to them for any further service we at Tabitha might render.

At the present time we have room for 9 girls and 5 boys in our Children's Homes

The Tabitha Farm

While farms in this section of the state did not produce too well, the Tabitha Farm did show some profit. We have had twenty hogs butchered and also three steers. This has furnished meat for the Home. The dairy herd has brought a regular monthly income. Recently the farm

was placed in the hands of the Farmers National Company for management. This will enable the Superintendent to give more attention to work at the Home.

Our Helpers

Your Superintendent is definitely impressed by the high type of workers that Tabitha has on the staff. Truly unselfish, always willing to serve others, they carry on through the long hours of the day and night to do the work of Mercy. Our workers are happy and we should reflect our gratitude in giving them adequate support. Through Sister Elizabeth Huth's guidance as Matron of the Home, all departments carry on very smoothly. Five new workers have been added to the staff since September, most of these replacing workers who have resigned.

Our Grounds

Improvements have been made in the grounds and buildings as needed. The parsonage has been redecorated and a new driveway has been built. A fine Assembly room with stage and kitchenette has been completed. Two store rooms have been built. The grounds under the supervision of Mr. Dike, has been truly beautiful. Mr. Rensch has given excellent attention to the gardens and many other things around the premises.

Finances

Our General Fund income for 1951 amounted to \$134,648.32. Voluntary contributions in 1951 were \$20,339.19 and income from Synods was \$11,545.69. The Community Chest contributed \$6,000.00. All improvements have been paid in full and \$20,000.00 has been returned to the Emergency and Depreciation Fund.

Building Fund

There is no longer any Building Fund. All Memorials received are now placed into a Memorial Building Fund and will be used to erect another building, probably a workers building. We must find adequate housing for our workers. This will release rooms in our new building for the aged. Our Memorial Fund now has a balance of \$6,645.43.

Tabitha Home has experienced a year of rich blessings from the hand of God and under his guidance we pray that we may be able to do even greater work in the year ahead.

It is our prayer that our many friends will continue to remember this work with gifts and prayers.

Respectfully submitted.

Annual Report of Midland College

for the School Year
1951-1952

This is Midland's 65th year of eminent service to our youth, our Church, and our Lord. As a liberal arts college of the Church, Mid-

land continues to give the basic education to our young men who have the Gospel Ministry in view, to those young men and women who desire to serve their Lord in other full-time church service in the United States or in the foreign mission fields, and to the larger number who wish to get their education for life in a positive Christian environment.

Officers of the Corporation

Officers of the corporate Board are: President, Dr. A. H. Pinkall, Omaha, Nebraska; vice president, Dr. A. W. Young, Lincoln, Nebraska; Secretary, The Rev. Lorin J. Wolff, Lincoln, Nebraska; Acting Treasurer, Dr. F. E. Wood, Fremont, Nebraska.

Officers of the College

Officers of the College are: President, Dr. W. P. Hieronymus; Dean, C. K. Burkholder; Acting Treasurer, Dr. F. E. Wood.

Enrollment

While Midland's enrollment followed the general trend among colleges and universities of the country being somewhat lower this year than last, the drop was considerably below the national average of about 11%. Midland's total enrollment for the first semester of this year was 373 as compared with 390 a year ago. Evaluated in terms of full-time students the decline amounts to less than 6%. The reason for the decline is the smaller number of high school graduating seniors, the sharp drop in G.I. enrollment, and particularly the draft and military enlistments.

The United States government, the armed services and all of us urge every young man of college calibre to go to college and remain in college as long as possible. If and when he does enter the armed services he will have a much better opportunity for advancement and he will have gained insights and spiritual maturity that will be his stay and support in every problem and adversity that may confront him.

All of the major denominations are represented in the student body.

Our full-time Lutheran enrollment is 241 or 62% of the total. Of the students who attend Midland from outside of Fremont 79% are Lutherans. Of the Lutheran students 66 are preparing for full-time Christian service as follows:

The Gospel Ministry	51
Foreign missions, including medical missionaries	7
Parish work	8
Total	66

Of the 31 students from Kansas 24 are members of the Kansas Synod. Fourteen other U.L.C.A. Synods have representation in the student body. Next to Nebraska and Midwest, the Kansas Synod has the largest number of students at our college. Of the six Lutheran groups besides the U.L.C.A. the Missouri Synod has the largest representation.

Seventeen state and five foreign countries and United States possessions are represented in the student body. Of the students outside of the continental United States the distribution is as follows; Puerto Rico 1, Hawaii 9, Latvia 8, Germany 1, and Liberia 1.

In spite of the shortage of good teachers in certain areas and the salary Midland is able to offer, our faculty is of a high grade both academically and spiritually. The wholesome effect of consecrated teachers on the youth during his formative years is incalculable.

Operational Finances

Fiscal Year June 1, 1950, to May 31, 1951

RECEIPTS

Educational and General	\$110,445.70
Endowment Investments	22,668.22
Gifts and Grants	89,912.40
Sales and Services	3,131.13
Other Income	1,935.00
Auxiliary Enterprises	136,134.43

Total Receipts

EXPENSES

Educational and General	\$217,529.39
Auxiliary Enterprises	133,901.81
Other Non-Educational Expense	19,649.65

Total Expense

\$371,080.85

Net Operating Loss

\$ 6,853.97

Last year's deficit of \$6,853.97 has been absorbed in this year's budget. In spite of rigid economy measures it was absolutely necessary last fall to increase the salaries of our faithful faculty and staff members. It looks as if we could have another deficit at the end of this year, however, the Business Manager is hopeful that by curtailing every expenditure we may be able to balance the budget.

We are sincerely grateful to the members of the Kansas Synod for their increased interest and splendid support of our college. The goal of \$2.35 per communing member was adopted by the Kansas Synod last year. It is desirable and necessary for the adequate support of Midland that Synod maintains this goal and makes every effort to reach it.

CHEY

The Christian Higher Education Year Appeal of the U.L.C.A. is a God-send for Midland. Our college, as well as other colleges throughout the country, finds itself in a financial squeeze, the result of soaring inflation and smaller enrollments. CHEY came at a most opportune time and is helping Midland to do the following with the approval of the supporting Synods:

1. Repair the Administration Building and Clemmons Hall.
2. Wipe out the operational deficit accumulated over the years, thus putting the college on a sound financial basis.
3. Rebuild the Central Heating Plant, including the installation of three new boilers.
4. Have a balance of funds that will go toward the erection of the much-needed Library Building.

The total amount of money Midland will receive will depend upon the cash contributed by the supporting Synods. In order for Midland to receive 100% of the amount assigned to it by the CHEY Directing Committee, we, as members of our Synod, need to contribute beyond our quota. The extra contributions should equal the cost of the CHEY campaign expenses which is now about 9% of the \$6,000,000 goal.

For the contributions by the members of the Kansas Synod the Trustees and Administration of Midland College are very grateful. Let us meet the high expectation of the leaders of the U.L.C.A. and complete the task assigned to us. The eyes of the Church and of the Lord of the Church are upon us.

New Library Building

The needed new Library building is being planned. It is to be thoroughly functional and express the approved principles of library science. Building operations will not begin, however, until the full amount necessary to complete it is on hand.

Christian Careers Conference

To present to our students the claims of Christ upon their lives not only with respect to full-time church service, but also with respect to serving Him in every honorable occupation, Midland held a three-day Christian Careers Conference with the cooperation of the Board of Education of the U.L.C.A. March 10-12. The special speakers and leaders were Mrs. Mabel Fenner, of the Parish and Church School Board, and the Rev. Francis Shearer, Secretary of the Board of Social Missions.

Resignation of President Hieronymous

After serving a half year as assistant to President Wiegman and as professor of Christianity and approximately seven years as President of the College, Dr. W. P. Hieronymous will lay down his administrative duties at the close of the present school year. He plans to continue teaching. Proper recognition by the Board of Trustees and recognition and appreciation of the conscientious and faithful service given so unselfishly by Dr. Hieronymous to Midland College. This was done in a special resolution stating the administrative acts accomplished during this presidency. We do call your attention to the accreditation of Midland College by the North Central Association of Colleges and Secondary Schools, the closer alignment of the College with the supporting Church and the strengthening of the spiritual program of the institution. And the intent of the Board of Trustees to continue Dr. Hieronymous in a professorial capacity.

New President Called

The Rev. Dr. Paul William Dieckman, who has served as pastor in the United Lutheran Church. He has served as Assistant to the President, of Wagner College,, Staten Island, N. Y. As Administrative Assistant Wagner College, and as Vice President of Wagner College. His qualifications as an administrative director comes to us through the Board of Education of the United Lutheran Church. His call to Midland's presidency effective after February 18, 1952.

Midland's Needs

1. Adequate financial support.
2. A new library building.
3. A pipe organ.

Respectfully submitted,
Your Trustees
Willard W. Alexander

Report of Synod Merger Committee

The Synod Merger Committee was called to a meeting in Omaha, March 20, by Dr. F. C. Fry, convenor, and the Presidents of the Kansas, Nebraska and Midwest Synods. Present and representing the Synod of Kansas and Adjacent States were: Pastors Ernest F. Tonsing, Reno R. Frobenius, George L. Search, Richard Albert, and Layman Sidney Lewis.

After considerable discussion, the joint committee passed the following recommendations for consideration and action at the forthcoming conventions of the three Synods (Each Synod fill in own name):

Recommendations

1. That the Synod of Kansas and Adjacent States looks with favor in principle upon a merger with the Midwest Synod and the Nebraska Synod. (Adopted).

2. (a) That the Executive Committee of this Synod be instructed to appoint a committee of five members to meet jointly with similar committees of the Midwest Synod and the Nebraska Synod to draft a constitution for a merged Synod, this constitution to be submitted for action to the 1953 conventions of all three Synods. (Adopted).

(b) And further that this Synod, jointly with the Midwest Synod and the Nebraska Synod request the Executive Board of the United Lutheran Church in America to appoint a representative to convene and advise with the joint committee. (Adopted).

3. That this Synod agrees that the constitution of the merged Synod shall include the following section dealing with the membership of ministers in non-ecclesiastical organizations; to wit,

"The Synod shall have the right to advise and admonish concerning association and affiliation of its ministers with non-ecclesiastical and other organizations whose principles or practices appear to be inconsistent with full loyalty to the Christian Church." (Adopted).

4. That this Synod record its understanding that the following resolution on this same subject will be presented (preferably by the joint committee referred to above) at the first convention of the merged Synod; to wit,

"The Synod advises all its pastors to avoid membership in fraternal organizations because such membership offends the consciences of many Christians." (Adopted).

Ernest F. Tonsing, Chairman.

Report of Ministerial Education Committee

Synod's Committee on Ministerial Education carefully screened each request for student-aid assistance during the 1951-1952 academic year, and approved aid as follows:

George V. Nelson, Salina, Senior, Midland	\$250.00
John R. Nelson, Salina, Senior, Midland	250.00
Jerry Shaft, Hutchinson, Sophomore, Midland	250.00
David R. Spellman, Mentor, Freshman, Midland	250.00
Eldon Sheneman, Lawrence, Philadelphia Sem.	250.00
Robert Schlichter, Topeka, Chicago Seminary	250.00
Roy Wingate, Wellington, Central Seminary	300.00
Stanley Rogge	125.00

During the second semester Student John R. Nelson requested that his aid be cut from \$125.00 to \$75.00.

The Board of Education, ULCA, sponsored a clinic on matters related to the field of ministerial education in Fremont, Nebraska, November 6 and 7, 1951, but members of the Kansas Synod committee were unable to attend. Pastor Vance Baird was permitted to attend the sessions, and it is hoped that the convention will permit him to make a verbal statement at the time this report is being considered.

Committee expenses totalled \$19.65 for the year. One meeting was held in Hutchinson last fall, while other business was transacted by mail.

Respectfully submitted,

William W. Klover, Chairman.

Report of Student Service Secretary

Your Secretary respectfully urges all pastors of Synod (1) to submit promptly their lists of students to the Board of Education, ULCA, via the Synodical Women's Missionary Society Student Secretary when requested; (2) to write the student pastors in the communities where your young people are going to school. A complete list of colleges and universities with the names of the student pastors and counselors designated by the National Lutheran Council is to be found in the 1952 Year Book, pages 66-78; (3) to write regularly to your students away from home. Nothing is more effective in holding the student in the church than personal messages from the home pastor.

Again this past year the Division of Student Service of the National Lutheran Council provided a graduate student assistant for work at the University of Kansas. The assistant, Mr. Richard Preis, gives one-half of his time to student work. He has become a member of Trinity Church, Lawrence, and expects to enter the Chicago Lutheran Seminary.

Requests for literature and other helps in working with students should be directed to the office of the Division of Student Service, 327 South LaSalle St., Chicago 4, Illinois.

R. W. Albert.

Committee on Parish Education

The teaching clinics for parents and teachers were held all over the church during 1951 and were eminently successful. More than 20,000 parents and workers attended. The clinics were led by Pastor Earl S. Rudisill for our Synod, Oct. 14-26.

The field work for 1952 is co-ordinated with emphasis upon The Bible in Daily Living. The field staff of the Board will hold Bible Teaching Conferences throughout the Church. These will be one evening meetings, two hours in length. In connection with these conferences, the film-strips on how to teach the Bible will be shown and literature on teaching the Bible in the home and in the church will be distributed. A tentative schedule for our Synod has been arranged for Sept. 24-Oct. 6th. The Rev. Erwin Spees will be the leader. Sunday School enrollment increased from 836,818 in 1949 to 860,761 in 1950. This is the largest Sunday School enrollment in the history of the United Lutheran Church in America, but there is still a great field for growth. Statistics for 1950 show an increase in enrollment in all departments of education in the congregation except the Children of the church. The following elective and leadership texts appeared in 1951 or will appear early in 1952.

Ways of teaching, The Bible and its use, the awakened heart, The Message from the New Test., Christianizing Community Life, The Story of the Older Test. and The Economic Order.

Audio Visual Aids

Several complete coverage mailings have been made during the past year. Several others were made to members of the Lending Library. Listings were sent to all S. S. Superintendents and to W. M. S. Presidents. The library consists of 71 film-strips, including 10 in L.E.A.V. kit; 11 color slides of religious art; 1 audio-visual resource guide, and recordings of the script for 11 of our film-strips. There have been 229 reservations made for items since we began 15 months ago. There are 21 memberships paid, and 18 have paid this year's sustaining fee of \$2.00 which makes our present membership 18. Our stock and publicity have cost \$165.23 and the balance as of Jan. 1952 is \$6.27. Two steel cases for film-strip storage were bought last fall. The cost was \$4.50 for two. Mrs. R. L. Tonsing, 1657 Arkansas, Wichita, Kansas, is chairman of Audio-Visual Aids. Four film-strips on how to teach the Bible have been prepared by the Parish and Church School Board in cooperation with The Am. Luth. Augustana, E.L.C. and Lutheran Church Mo. Synod. The Titles are: 1. Teaching the Bible to pre-school child. 2. Teaching year. The first semester there were thirty-seven students. The faculty the Bible to Children (ages 6-11) 3. Teaching Bible to High school Youth. 4. Teaching Bible to adults. These film-strips are available to our congregations FREE through the Synodical Committee on Parish Education.

Recommendations

1. That we give whole-hearted cooperation to the 1952 emphasis on Bible teaching and reading and attend the Bible Teaching conferences in our area Sept. 24-Oct. 6th. (Adopted).

2. That all churches make an effort to become members of our lending library so that new film-strips may be added to our library. (Adopted).

Reno R. Frobenius.

Report of the Southern Conference

The Southern Conference held its first meeting at the Wakeeney Convention of Synod. The Rev. H. G. Ritzen, Hutchinson, was re-elected president; the Rev. Leo S. LaFontaine, Ft. Smith, Ark., was elected Secretary-Treasurer; and Mr. S. Dee Shepherd, Emporia, was nominated to the Executive Committee.

The Annual Fall meeting was held on October 28 and 29 at Christ Church, Eureka, the Rev. A. L. Angersbach, pastor. The meeting began with a joint session of the Conference and the W.M.S. Conference on Sunday evening in the form of a Reformation Vesper, with the Rev. Dr. L.S.G. Miller as the preacher and the conference president as liturgist. A reception followed the service.

The W.M.S. Conference held its own sessions on Monday morning and afternoon, with the exception of a joint session to hear Dr. Miller. Meanwhile, the pastors and laymen of the Conference devoted their time to an Evangelism Work Shop under the auspices of the Board of Social Missions. Those participating in the presentation of the Work Shop were: Pastors Ernest F. Tonsing, Aksel Larsen, A. L. Angerbach, and H. G. Ritzen. Pastor O. E. Eaton served as chaplain. All congregations of the conference were represented. A brief business meeting concluded the proceedings.

These were two vacancies in the Conference this year: Tulsa, Oklahoma, still vacant from last year, and Peabody, left vacant by resignation of the Rev. Clarence Hansen. The former was filled by the Rev. Aksel Larsen, who was installed by the president of Synod; the latter was filled by the Rev. Max H. Geissler, who was installed by the President of Conference on September -6, 1951.

One new congregation was added to the conference this year, the Ev. Lutheran Church of the Reformation at Wichita, which was formally organized on January 27, 1952. Its application for admission into Synod is presently pending. On February 15, this congregation called the Rev. Richard O. Scherch, mission developer, to be the regular pastor. He was installed by the President of Conference on March 9, 1952.

St. John's Ev. Lutheran Church, Wellington, was supplied during a part of the year by the Rev. Dr. George N. Mendenhall during the illness of the pastor, the Rev. Herbert H. Pett.

Respectfully submitted,

H. G. Ritzen, President.

Report of Stewardship Secretary and Director of Lutheran World Action

Your Stewardship Secretary's activities during 1951 included the following: (1) Circulating the newsletter "Stewardship in the Synod" to the pastors, and laymen whose names and addresses were submitted—a circulation of about 400; (2) Assisted in circulating the Stewardship and LWA films to those requesting same; (3) Contributed periodically to the KSL with "Stewardship Notes" and the table of contributions by congregations—what was due, amount paid, and deficit (if any); (4) Attended the seventh annual Stewardship Conference for Stewardship Secretaries at Wittenberg College, Springfield, Ohio, June 14-15, 1951; (5) Attempted, through the new form of reporting contributions, to make our members conscious of their stewardship responsibilities and privileges.

The cause of Lutheran World Action was kept before our pastors and laymen through the newsletter, "Stewardship in the Synod," and through the pages of the Kansas Synod Lutheran. Your director also assisted the National Lutheran Council in the distribution of printed matter.

The response of Synod in the matter of Stewardship was gratifying. We received 96.9% of our Apportioned Benevolence and 84.5% of our Lutheran World Action quota. This is better than we did in 1951. Twenty-five congregations remitted their apportioned benevolence in full or exceeded both their apportioned benevolence and Lutheran World Action. This, again, is better than our record for 1951.

Recommendations

1. That all congregations of Synod be urged to remit monthly to the Treasurer of Synod their apportioned benevolence receipts. (Adopted).
2. That every effort be made in each congregation of Synod to meet its apportioned benevolence and LWA in full and in excess. (Adopted).
3. That every congregation in Synod make the best possible use of the Stewardship materials provided by the Lutheran Laymen's Movement as well as the printed materials provided by the office of Lutheran World Action. (Adopted).

Displaced Persons Report

Your present Displaced Chairman has served the Lutheran Resettlement Service of the National Lutheran Council since 1949 as the official greeter of Displaced Persons arriving at Kansas City, Missouri from the port of New Orleans. His work has consisted of meeting and helping to fill out arrival papers to clear their arrival and departure from the city of Kansas City, Missouri to their destination. This has been a great help to the Traveler's Aid as well as to the D.P. We can be proud of the fact that our Lutheran World Federation has provided them with proper papers for expediting their processing. This cannot be said of the other Church organizations. Mr. Gerald W. Lee has assisted the Chairman when unable to meet certain trains because of parish conflicts. December 31, 1951 marks the close of all D.P.'s cleared for immigration to the United States. Pastors and laity should contact the Lutheran Resettlement Service at New York City for further information or note that which is printed in the National Lutheran Council magazine or in the Lutheran World Action news letter.

Respectfully submitted,
Willard W. Alexander, Chairman.

Report of the Committee on Constitution

Acting on instructions from the Synod, your committee has examined the Constitution of the Kansas Council of Churches and Christian Education. It is the opinion of the committee that this constitution in its present form is not in harmony with the Constitution of the National Council of Churches of Christ in the United States of America because it fails to conform in both the Evangelical Principle and the Repre-

sentative Principle.

The committee has examined the Constitution of the Evangelical Lutheran Church of the Reformation at Wichita, Kansas, and the Constitution of the Kent Memorial Lutheran Church at Sunrise Beach, Missouri. Both instruments were found to be in harmony with the Constitution of this Synod.

The attention of Synod is called to the Amendments to the Synodical Constitution presented at the last convention of Synod to be acted upon at this convention and to the Amendments to the By-laws presented at the last convention of Synod and tabled until this convention. Both sets of amendments have been examined by the Executive Board of the United Lutheran Church and no disapproval has been expressed.

The attention of the Synod and its Secretary is called to By-Law VII, 13, which would require that the Constitution be printed and included with the printed Minutes of this Synodical Convention.

The Committee on Constitution,
H. Vance Baird, Chairman,
Heinz Ritzen, Theodore Moehring.

The two camps were quite successful under the capable leadership of Mrs. Robert Tonsing and Mrs. W. W. Klover. These ladies are to be highly commended for devoted and inspiring leadership. Inadequate dry weather forced the cancellation of the Luther League Convention and Senior Camp. The entire staff of the second camp are especially thanked by the director for their superb cooperation with a revised program and

loving interest for the campers. The sincere interest of every pastor for the 1951 program was highly appreciated. The director is grateful to synod for having served at these camps.

Report of the Secretary for Deaconess Work

Your Secretary sent out a letter to all pastors of Synod on June 1st. urging that "Deaconess Month" be given special recognition in each congregation. It was suggested that every pastor, (1) Preach a sermon on the deaconess calling, (2) Go through the membership list of the congregation with the idea in mind of seeking for promising young women who might feel the challenge of the calling of a deaconess, (3) Devote at least one session each to the calling of the ministry and deaconess work in the catechetical class, and (4) Use the promotional aids offered by the United Lutheran Board of Deaconess Work.

Though more young women are answering the call of God to this full time service, there is still a definite need for more and more consecrated young women to give their lives and talents in this vital area of the Church's work. Every pastor needs to continue his efforts to lead the young women of his congregation to feel the call and to see the wonderful opportunities for Christian service in the deaconess calling.

C. Arthur Freeberg.

Christian Higher Education Year Report

The responsibility of the completion of CHEY becomes a Synodical task with the year 1952. Your Chairman has with the aid of the Christian Higher Education Committee fulfilled all requests from the CHEY Headquarters at Springfield Ohio for the two year period 1950 to 1951. We wish to thank all Pastors and their Congregations who did their part in the program for CHEY. All congregations are asked to complete their quotas and send their remittances to the Synodical Treasurer. We still desire to see a more than 100% goal for our Synod. Your Chairman will continue in the CHEY office for the year 1952 on the behalf of the Synod. We are all conscious of the needs of our Colleges and Seminaries so let us continue until the task is completed.

Respectfully submitted,
Willard W. Alexander, Chairman.

Kansas Council of Churches & Christian Education

Your representative has learned that the Kansas Council of Churches anticipates changes in its constitution which will bring it in line with the National Council of Churches of Christ in America.

Recommendation

That the present consultative relationship with the Kansas Council of Churches be maintained and that our usual financial contribution be remitted.

Max H. Geissler.

Report on Kansas Christian Rural Overseas Program

After five years of operation, the Christian Rural Overseas Program was terminated on February 29, 1952. The sponsoring agencies, Lutheran World Relief, Catholic Rural Life, and Church World Service, found that cost of operation had not been balanced by gifts. Consequently, upon the action of Lutheran World Relief, and Catholic Rural Life in withdrawing, Church World Service announced that it would sponsor the movement in a limited way in eleven states.

During the five years, tremendous amounts of food and commodities have been supplied needy countries. By the end of 1951, 21,250,777 pounds of food and cotton, with a value of \$1,436,282, had been shipped by LWR alone. Government donated surplus commodities weighing 15,998,373 pounds, with a value of \$2,563,362, have also been shipped by LWR, making the total 37,249,150 pounds of various commodities, valued at almost \$4,000,000.

Heartfelt thanks is hereby extended to all pastors and people who assisted in CROP. Amazing co-operativeness has distinguished this joint effort with Roman Catholic and other Protestant churches. God has been good in giving us this opportunity of serving our brethren in their hour of desperate need.

"Since CROP gifts will no longer be available, it is important that even greater emphasis be placed on the cash appeal of Lutheran World Action, and the gifts-in-kind program of Lutheran World Relief." (Franklin Clark Fry).

Ernest F. Tonsing,
Kansas CROP Chairman for LWR.

Report of Ministerial Pensions

A special meeting was held by the Board of Pensions and Relief in Chicago in February for representatives of all Synod Pensions Committees and Synod presidents in this area. Your Pensions Secretary and Synod President attended.

Dr. Thomas L. Cline informed us that because of an "increased accumulation from the Endowment Fund in 1951, and an allocation from Part 2 of the U.L.C.A. budget" an additional \$200 will be sent to all retired and disabled ministers and missionaries, and \$100 to widows, in 1952. A "special pension" or an "annual grant" of \$300 to retired and disabled ministers and missionaries, and \$100 to widows will be paid, making a total of \$800 to the former and \$400 to the latter. These amounts are paid under the Non-contributory Pension Plan and are dependent upon the faithful fulfillment of apportionment quotas by each congregation.

We thank our Heavenly Father that those who have served in the preaching and teaching of the Gospel of our Lord Jesus Christ are thus being provided for in part by those who are the beneficiaries of their labors.

Roughly three-fourths of our U.L.C.A. pastors have availed themselves of the privileges offered in the Contributory Pension Plan. In our own Synod 21 are members, and of this number 8 belong also to the Family Protection Plan.

A brief review of all phases of the Pension Plan of our Church was sent to all Synod pastors by the Pensions Secretary in April. Those who either have not investigated these opportunities or have not availed themselves of all of them are urged to refer to that correspondence and to take prompt action for the benefit of their families and congregations as well as for their own.

Recommendations

1. That, inasmuch as our Pension Board considers a necessary and desired minimum pension to be \$1200 a year for retired and disabled ministers and missionaries and \$600 for their widows, and is working to provide this in the future, the Synod in Convention consider the urgency of this matter and the possibility of providing, especially in cases of specific need among our Synod's retired ministers and widows, an annual honorarium sufficient to fulfill the recommended minimum pension. (Referred to Executive Committee).

2. That the Synod consider the matter of a minimum pension of \$1200 for all retired and disabled ministers and missionaries and \$600 for their widows, which is to be presented to the 1952 Convention of the U.L.C.A. and instruct the delegates from our Synod concerning the views and wishes of this Synod relevant to this issue. (Referred to Executive Committee).

Wayne B. Barthel.

Report on the Committee on Minutes

Your committee on Minutes has examined the minutes of the 83rd Annual Convention of the Synod of Kansas and Adjacent States and wish to report the following:

The few typographical errors which do not change the meaning are not reported.

Attention is called to the fact that on page 24 the proposed amendments to the body of the constitution to be acted on at the 1952 convention were not included in the printed minutes.

We recommend that the "Home Missions Council" be included in the list of committee.

K. de Freese,
George L. Search.

Report of the Disaster Relief Committee

Immediately following the disastrous Kansas floods during the summer of 1951, the President of Synod appointed a special Disaster

Relief Committee for the purpose of raising funds for flood stricken churches and allocating the funds as needed. The presidents of the three conferences were appointed to the committee with the president of the Southern Conference as chairman, and the president and treasurer of Synod ex-officio.

During the late summer a survey of flood damage was made by various members of the committee. The committee also had the benefit of a report from the Rev. George R. Whittecar, special representative of the Board of Social Missions, who also made a survey of the situation.

It was found that damage was relatively light so far as the churches themselves were concerned. Only three churches suffered actual flood damage. They are New Cambria, Abilene, and Chapman. Most extensive damage was suffered by the Chapman congregation, with both church and parsonage receiving extensive damage.

During the autumn of 1951, the Disaster Relief Committee conducted an appeal in the churches of Synod by authority of the Executive Committee. This appeal produced \$2,279.10. Meanwhile churches outside the Synod were sending relief offerings amounting to \$770.85. Still other substantial offerings were sent directly to affected churches.

It was also learned by the committee that there was some urgent need for individual assistance to members of our churches living in the flood areas. The committee allocated \$350.00 for this purpose, \$100.00 of which was given specifically for such assistance in the Topeka congregation. Other allocations were made to the Chapman congregation. To the end of 1951 this congregation received \$1,000. Of the \$1,724.95 remaining, further allocations will be made to Chapman. These will probably have been made by the time Synod meets.

The Abilene congregation requested no assistance, assuring the committee that it had sufficient funds on hand to repair its own damage. All damage has been repaired at Abilene. Some work remains to be done at New Cambria and at Chapman at this writing.

Respectfully submitted,

H. G. Ritzén, Chairman
Reno R. Frobenius
Theodore Moehring
Ernest F. Tonsing, Ex-officio

(Tune: "God of Our Fathers")

With one accord we come to Thee in prayer;
Hear us, O Christ, and bless us in Thy care.

With one accord to worship evermore.

With one accord we labor in Thy fold.
To speak for Thee, grant us Thy courage bold,
Till every soul for whom Thou gavest all

Mrs. Richard Scherch presented the report on Departmental Secretaries and moved its adoption:

Report of Committee on Departmental Secretaries

The committee has been encouraged by the growth and increased interest in the various departments as reported by the secretaries.

While our funds for furthering our work have increased and the 100% established societies speak for the promotional aspect of our work, we urge more time and study for increasing our knowledge of the work at hand.

Therefore we recommend that a more concentrated effort be directed to increasing the effectiveness of our Mission study and that more interest be developed in using the excellent educational and devotional materials available.

We also recommend more effort be spent in encouraging our young women to give of their service to the extension of Christ's Kingdom.

Respectfully submitted,

Mrs. B. P. Sibole

Mrs. Sheldon Singleton

Mrs. Richard Scherch

Mrs. C. A. Freeburg read the Report on Secretary's Minutes and it was accepted:

Mrs. E. J. Alstatt

Mrs. Walter Tschorn

The Committee on Letters and Communications presented its report, which was read by Mrs. Emma Wolf.

Miss Lilith Schwab gave the closing inspiring address, using the thought "With One Accord We Worship Christ As Lord" and "With One Accord We Press On."

Mrs. Ernest Tonsing closed this final session of the Seventy-Second Annual Convention with prayer and all joined in praying the Missionary Benediction.

Report of the President

"Worship"

"With One Accord" we come to our 72nd Annual Convention. "With One Accord We Lift Our Hearts to God in Worship." We cannot measure our growth in Worship in tangible figures. We hope that we have deepened and strengthened our prayer life. We hope that we have spent some quiet moments to "Be still, and know that I am God." Our records tell us that not all of us are using daily devotions or observing the Week of Prayer.

"Membership"

"With One Accord We Accept Our Responsibility." "The harvest is indeed plentiful, but the laborers are few." That places before each one of us a special task. We cannot rest as long as even one person remains unchurched or as long as one person remains outside our group.

We have made great strides in Membership, and we welcome six new societies. Surely God has given us courage and strength to do His work, so we ask for His continued guidance in doing the great work set before us.

"Stewardship"

"With One Accord We Acknowledge Christ as Lord." "They gave according to their means, and beyond their means of their own free will, but first they gave themselves to the Lord."

Our record in Stewardship is good. Our Thank Offering is considerably higher than the same quarter last year. There is an increase in Patron and Protege, Life Membership, and Special Aids. We must continue to give according to our means, for the work must go on.

Official Acts

Your President has conducted three Board meetings: (1) Immediately following the Convention in Hays; (2) September meeting in Lawrence; (3) January meeting in Kansas City, Kansas.

I represented the Synodical Society on the floor of Synod in Wakeeney.

In May, I visited Kent Memorial and Sedalia, and conferred with pastors. I gave numerous talks, both on Promotion and Thank Offering, in various churches. I visited and gave talks to each of the three Conferences. I represented Lutherans of Kansas at the State Convention of the Council of Church Women in Topeka; and served as First Vice President of the Council, and Chairman of the World Day of Prayer Committee in the Topeka Council.

With Mrs. Fred Kloepper, I met with women of Mentor church, in Salina. I spoke to the women at Kent Memorial, helped the local group organize at Rockport and Marysville. I was unable to go to

Wichita, Reformation, but sent a letter of instructions, and later was represented by Mrs. W. H. Barton and Mrs. Robert Tonsing. In addition, many pieces of mail have gone from my desk, several articles have been written for the *Kansas Synod Lutheran*. I have edited and mailed three news bulletins for general distribution. Mrs. Max Geissler was appointed Education Secretary. We have sought to answer questions, encourage individuals, and societies, and to serve in as many ways as possible.

Recommendations

Your President would like to challenge you with the following Recommendations:

1. That we give thanks to Almighty God, who has carried us safely through another year.
2. That we give thanks for continued avenues of service.
3. That we continue the support of our missionary.
4. That we continue the Missionary Education at Camp Wa-Shun-Ga.
5. That we continue to pray and to work for a Week of Mission Study, to be held in a place convenient to all, and at a time agreeable to all.
6. That we continue to disseminate news through the quarterly bulletins.
7. That we continue to present Missionary education in the Sunday Schools, and to interest and encourage young people in Christian service.
8. That With One Accord we accept our responsibilities.
9. That we give thanks for the helpful co-operation of the officers and secretaries of our Synodical Society, local societies and pastors.

Mrs. Ernest F. Tonsing.

Report of the Vice-President

Your vice-president attended the meeting of the Eastern Conference at Atchison and the sessions of the Board at Lawrence and Kansas City, Kansas. She has served as chairman of the Program Committee for the current meeting of the Society. Those who served with her in this capacity are: Mrs. Leslie Long, Atchison; Mrs. Fred Stotts, Prairie Village; Mrs. Henry Christiansen, Kansas City, Kansas; and Mrs. Ernest Tonsing, Topeka.

Mrs. George L. Anderson.

Report of the Thank Offering Secretary

Number of Thank Offering Services Held	33
Number of Joint Thank Offering Services	6
Number sending in quarterly Thank Offering	40
Number sending in increased Thank Offering	39

We are near the end of a Triennium in the Women's Missionary

Society. It is a good time to take stock and see where we stand in Thank-Offering.

1949—\$4763.75

1950—\$5492.23

1951—\$6079.42

These are statistics and show an increase, but are we remembering to give a daily prayer too?—"A daily gift, a daily prayer that all the world our Christ may share."

Several articles for the Kansas Synod Lutheran were written; letters suggesting Thank-offering thoughts were sent to all societies; also helped plan the Thank-offering itinerary for Lilith Schwab, which entailed a great deal of correspondence. I wish personally to express my thanks to each society for their fine response and cooperation in helping make Miss Schwab's itinerary so easy and pleasant for her.

Mrs. E. P. Boersch.

Report of Mission Study Secretary

From the reports that were sent to the Statistical Secretary, it is encouraging to know that Mission Study groups are active. May there be new groups added to the report in 1952.

The following is a report for 1951:

No. Study Groups, No. Am. Missions	14
No. Study Groups, World Missions	23
No. Persons in groups	871
No. Persons completing Reading Course	77
No. Societies observing Week of Prayer	18
No. Meetings held for Week of Prayer	64
No. Societies using Program issued by Educational Division of WMS	18

Mission Study is STUDY—not leisurely listening, and study should lead to action in the Home, the Church, and Community and in all the World.

"Study and show thyself approved unto God."

The above report shows fine growth both numerically and financially the past year. Thirteen new proteges appear on our records. Two of these are replacements for proteges in China which have been discontinued. Three of our former proteges appear to have lost their patrons during the year. This leaves a net gain of eight. We are indeed grateful for the many new proteges which make it possible to grow in our work.

Two mailings were made during the past year to every president. These were form letters with enclosures both of Patron and Protege, and audio-visual promotional literature. Many individual letters or inquiry were answered, and the evidence shows that most of them developed into new missionary efforts.

Mrs. R. L. Tonsing.

Report of Editor for the Kansas Synod Lutheran

News and items of interest pertaining to the Synodical Missionary Society have appeared in all issues of the KANSAS SYNOD LUTHERAN during the year. With the help of the officers, secretaries and correspondents of local societies, it has been possible to emphasize all phases of the missionary work.

I recommend that the Society continue to publish the missionary news in the KANSAS SYNOD LUTHERAN.

Mrs. Olney E. Eaton.

Report of Education Secretary

At the meeting of the executive committee of the W.M.S. Synodical Society in September, 1951, I was named Education Secretary to complete the term of Mrs. Kenneeth Jackson, who had resigned.

It is gratifying to note that interest in mission study, Christian literature, and devotional materials is increasing. This past year some excellent books have come off the press, and our people have become vitally interested in furthering their missionary education and interest.

At the convention in Hays, April 14-16, 1951, Mrs. Fred Kloepper was our secretary, and literature sales amounted to \$69.77. At Western Conference, Miss Ada E. Livers was in charge of literature display, and sales amounted to \$18.50. At Southern Conference in Eureka, I was in

charge of the display and sales, having been assigned before receiving the appointment as Education Secretary. We are happy to report a sale of \$33.15 at Eureka, and \$11.50 sold at Peabody at the time of Miss Schwab's visit, which brought a total of \$44.65 for Southern Conference. Total for the year for literature sold at the convention and at conference meetings—\$132.92. Much material is also purchased directly from headquarters by the local societies. However, the upswing in the purchase of educational materials does signify a growing interest, and an intention on the part of our members to avail themselves of the many fine books being written, with a desire to become more fully acquainted with all aspects of our church at work.

We sincerely hope that this deepening of our spiritual lives, and new interest in our work, will grow within us during the year ahead, so that all of us will become more keenly aware of our individual responsibilities and opportunities to serve in the Kingdom of Christ.

Mrs. Max H. Geissler.

Report of Life and in Memoriam Secretary

Through our Life and In Memoriam Department an opportunity is found to help the whole Church in its work. We are glad for the increase of \$125.00 over last year.

We closed our books January first with a fine report:

Life Memberships	95	\$ 950.00
In Memoriams	8	200.00
Transferrals	15	225.00
	118	\$1375.00

Two letters have been sent out this past year to the president of each society in the Synod, one news item has been sent to the Kansas Synod Lutheran and the work of the Department was presented at Western Conference. New folders and new membership blanks have been sent to each society.

It has been a real pleasure to have served as your Life and In Memoriam Secretary these two years and I want to thank each and every one for their fine cooperation.

Mrs. C. F. Mericle.

Report of Promotional Secretary

In the past many people have been sowing seeds. Others have watered them and now it is our privilege to reap the harvest.

Four new societies will ask for formal admittance into the synodical Women's Missionary Society at the coming convention. 'Women of the Church' groups have been organized at Kent Memorial, Sunrise Beach, Mo., with Mrs. Ruth Drake as president. Another group of twenty-two members was formed at Reformation Church, Wichita, with Mrs. Wilbur Welshimer as president. The women of the church at Sedalia reorganized into a 'Women of the Church' group with twenty members. Mrs.

Donald Anderson is president of this group. Nine members formed a Women's Missionary Society at Mentor, Kansas, on February 19. Mrs. Ebba Forsberg was elected president.

It is indeed a time for rejoicing in that the objects in the Constitution of the Synodical Women's Missionary Society are now established in every parish within the Synod of Kansas and Adjacent States.

Miss Mary Ann Soong, a Chinese nurse and graduate student at Minnesota University, was present at both the Junior and the Intermediate camps due to the co-operation of the Women's Missionary Society and the Board of Foreign Missions with the camp director. If possible, a National will be present at the camps this year.

Your secretary co-operated with Mrs. E. P. Boersch, Thank-offering Secretary, in planning the itinerary of Miss Lilith Schwab last November. Meetings were attended at Sedalia and at Mentor to explain the purposes of the organization. Two Board meetings and the Eastern Conference were also attended.

Copy for two articles for May issue of Luthern Woman's Work is being prepared. Two articles were submitted to Kansas Synod Lutheran. One letter for promotion was sent each society. All correspondence was answered to the best of my ability.

Mrs. Fred Kloepper

Report of Deaconess Secretary

The call still goes out for more Deaconesses. The Board of Deaconess work of the United Lutheran Church now has available 3 new associate field secretaries on a released time basis. For a congregational itinerary through the Synods and to your territory, clear with the President of Synod. Book now for the fall of 1952 and the winter of 1953.

At the Western Conference meeting this fall, your secretary stressed the ever increasing need for Deaconess workers. Also a suggested program for the youth of the church with audio-visual aids. Film strip and colored slides are always available for a minimum fee, by writing to the Lutheran Publishing House or our lending library. The colored film strip, A SCHOOL FOR PARISH WORKERS, is a new release.

During the past two years your secretary has attended Executive meetings and written articles for the Kansas Synod Lutheran and passed out information through correspondence. She has also shown the film strip, A GLORIOUS ADVENTURE, at the Women's Missionary Convention and at Synod. The name of a Kansas girl has been sent in and deaconess material is being mailed to her.

Each congregational secretary may write to Sister Mildred, Field Secretary, for extra material.

Let our prayers in the coming year be for more young women to carry on a glorious work.

Mrs. Wm. Hogrefe.

Report of Student Secretary

Forty congregations responded this year to the Annual Student Census which is sponsored by the Board of Education of the United Lutheran Church. Thirty-two congregations reported 255 students in 68 different institutions of learning, while eight congregations reported "no students" in schools of higher education. This is eleven students less than last year. Of the 255 students, 146 are men and 109 are women. Thirty-five of these students are in ten Lutheran schools, an increase of fifteen over last year. Twelve of these are preparing for the ministry and two young women are preparing for full time vocations in the church, which is an increase of six in this category. The names of all students were sent to the Student Service pastors of their respective institutions.

Miss Arlene Nestler, Atchison, Kansas, a sophomore student at Midland College, is being sponsored by the Women's Missionary Society during the 1951-52 school year. In addition to the letters required for the Student Census and the Student Scholarship, your secretary wrote articles for the Kansas Synod Lutheran.

Mrs. W. W. Klover

Report of Western Conference

The Western Conference met Wednesday, October 24, 1951 at 9:30 A.M. at St. Mark's Lutheran Church, Waterville. The Hebron and St. Mark's Societies were joint hostesses. A very beautiful day gave us good attendance and ninety-six names were on our register. Our theme was: "The Open Door."

The department secretaries gave reports which showed much progress, but still room for improvement. We were happy to have Dr. and Mrs. L. S. G. Miller, Missionaries lately from Japan, as our guest speakers. They also showed pictures in color of their home and beautiful flowers, scenery, and the people they served. It was all very much enjoyed and gave us a new insight to their work. In the afternoon, Mrs. Florence Kilian led us in devotions. Mrs. Ernest Tonsing, Synodical President, was present and gave us an inspiring address. Her subject was "New Horizons."

New officers elected were the following: Mrs. C. F. Mericle, President; Mrs. Garrison, Vice-President; Mrs. Kilian, Secretary. Mrs. Ada E. Livers served as Educational Secretary. Books and material sold amounted to \$18. Conference offerings amounted to \$63.68. It was voted to give Dr. and Mrs. Miller \$20, a gift of \$15 to a Hawaiian student at Midland, and the remainder of the offering to Thank-offering. Salina extended an invitation to the Western Conference to meet with them next fall and the Conference accepted. After a very beneficial and inspiring meeting, Rev. Martin Ashley gave the closing prayer and benediction.

As President of the Western Conference, besides planning the program for our fall conference, I was asked to write to the different

societies to help arrange an itinerary for Miss Lilith Schwab, our beloved missionary recently home on furlough from India. Most of the societies arranged to have Miss Schwab as their guest speaker at their public Thank Offering meeting. Several societies arranged joint meetings so that all might have a chance to hear her wonderful address.

I wish to extend my thanks to all the societies in the Western Conference for their fine cooperation in response to our programs and in any project called upon during the three years in which I served as President. I have enjoyed the new friendships and feel that my life has been enriched in the work.

Mrs. Linn Livers.

Report of Southern Conference

The Southern Conference of the Women's Missionary Society met at Christ's Lutheran Church in Eureka, Kansas, October 29, 1951, in connection with the full meeting of the Southern Conference of Synod. Both groups participated in the opening devotions conducted by the Rev. Olney Eaton, Emporia.

The Missionary group convened in the church sanctuary, with Mrs. Geo. Walker in charge. The devotions and the Welcome were given by Mrs. Darling of Eureka, and the response was given by Mrs. Ted Young of Wichita. Mrs. Ernest Tonsing, our synodical president, was present and gave us a most inspiring "pep talk" as well as helpful suggestions for the work during the year. A report was given by our Educational Secretary, Mrs. Max Geissler of Peabody. A film strip, sent by Mrs. R. L. Tonsing, was shown, which depicted the work of the Patron and Protege Department. We were fortunate in having as our guest speakers for the day, Dr. and Mrs. L. S. G. Miller, returned missionaries from Japan, who spoke to us of the "Church Missions in Japan" and showed us slides, which gave us a real picture of conditions in that country.

Luncheon was served in nearby restaurants. In the afternoon time was given for an exchange of ideas on Mission Study and other phases of the work. Mrs. Miller gave a very interesting informal talk on her life and work in Japan. A gift of money was sent to a deserving Hawaiian student, Miss Constancia Dacay, at Midland College and the balance of the offering was divided between Mrs. Miller and the Thank-offering fund. Thank Offering thoughts were given by Mrs. Harry Simons of Emporia and the meeting was closed with silent prayer and the Missionary Benediction.

During the month of November an itinerary was arranged for Miss Lilith Schwab to visit the churches of the Southern Conference. Most of the societies of Southern Conference were privileged to hear her tell of her wide experience as a missionary in India and she was the guest speaker at several of the churches for the Public Thank Offering service.

Mrs. George Walker.

Report of Historian

Minutes of Synod and the Convention Reports of the Women's Missionary Society of Kansas and Adjacent States for the past twenty years have been bound into four volumes during the year.

Copies of the Kansas Synod Lutheran, History of the Student Scholarship fund of the Women's Missionary Society of Kansas and Adjacent States and the minutes of the Executive meeting held at Lawrence Sept. 24, 1951, have been added to the Historian's files during the year.

I attended Western Conference at Waterville in October.

Mrs. R. H. Owen.

Report of Magazine Secretary

We met the challenge of 60,000 subscriptions to Lutheran Woman's Work in the general society by January 1, 1952. The number of subscriptions in the Missionary Society of the Kansas Synod was 857—an increase of 25. However, the number of "Honor Roll" societies dropped from 17 to 11 this past year.

I attended the Executive Board meeting in Kansas City, Kansas, January 30, 1952 when plans were made for the annual convention in April at Kansas City, Kansas, Trinity Lutheran Church. I have written several articles for the Kansas Synod Lutheran in the interest of this department. I have written cards and letters to each society twice during the year.

I wish to thank the societies for their fine response to my suggestions during my three years as secretary. You have all been most co-operative and I have enjoyed working with you.

May the Kansas Synod Women's Missionary Society continue to grow in numbers and thereby increase in giving and carrying out the convention theme, "With One Accord."

Mrs. George H. Albers.

It was moved and seconded that the report of the Treasurer be adopted. Motion carried.

Rev. Ernest Tonsing, President of Synod, brought greetings from Synod, and gave a very interesting address with emphasis on work in the Church that men can do.

There appeared to be on unfinished business.

Pres. Anderson gave a report of his activities during the past year, stating that when the Executive Committee met last summer with the architect it was discovered that from one to five more acres of ground would be necessary for sewage disposal, in order to comply with rules of the Kansas State Board of Health, and, that the only direction we could go is to the north of the camp, and that the present owner seems to be unwilling to sell the amount of land necessary. He also stated that while he has not been able to negotiate with the owner he feels that there is some way to accomplish his goal, and that he intends to continue his efforts.

Under New Business was the report of the Nominating Committee as follows:

President, Kenneth T. Anderson, Emporia.

V. Pres., James Mitchell, Valley Falls.

Sec'y, Leroy Rinard, Salina.

Treas., Frank Wilson, Peabody.

Delegate to National Convention at Washington, D. C., H. G. Rumberger, Kansas City, Mo.

Alternate, George Anderson, Lawrence.

After some discussion as to whether or not Mr. Leroy Rinard was eligible to serve as secretary, since the Salina congregation is not paid up in the Synodical Brotherhood, it was moved and seconded that we suspend the rules and that by "Mutual Consent" we nominate Mr. Leroy Rinard for the office of secretary.

The motion carried. Pres. Anderson then asked for nominations from the floor. There being none, the nominations were closed, and a motion was made and seconded that the secretary cast the unanimous ballot for those nominated by the Nominating Committee.

The motion carried and Secretary Davis cast the ballot as instructed.

There being no further business, Pres. Anderson asked Pres. of Synod, Rev. Ernest Tonsing, to install the newly elected officers.

Moved and seconded to adjourn for dinner.

The closing meeting was called to order again at 7:30 at which time the Rev. Arthur Angersbach, of Eureka, was introduced who delivered the closing address. His message on "Evangelism" was very well delivered and enjoyed by all present.

The meeting closed with the group singing "Day Is Dying The West" and "I Love Thy Zion, Lord."

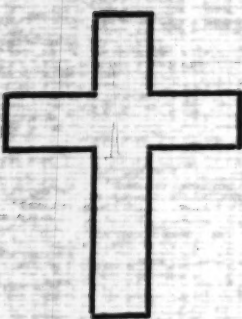

Respectfully,
O. T. Davis,
Retiring Secretary.

Note: Mr. Leroy Rinard could not accept his election as Secretary. Mr. O. T. Davis, retiring Secretary, was prevailed upon to continue in his office for another year.
